Frequently Asked Questions

1. What is GasNetworks?

GasNetworks is a collaborative consisting of local gas companies whose mission is to work with governmental agencies and affiliates to promote energy efficient technologies, create common efficiency programs, educate consumers and promote contractor training and awareness of ever-changing natural gas technologies.

2. What is the purpose of the GasNetworks Rebate Program?

The purpose of the program is to encourage customers to purchase and install natural gas, low intensity infrared, heating equipment. Your gas company provides a rebate to cover a portion of the additional cost for installing a natural gas, low intensity infrared, heating system versus standard efficiency equipment.

3. How can I recognize this equipment?

For a current listing of the eligible equipment call the GasNetworks Rebate Administrator at 1-800-232-0672 or contact your local heating contractor.

4. Where can I find a contractor to install the equipment?

Many local heating contractors install equipment that meets the efficiency standards mentioned above. For more information, please call 1-800-232-0672.

5. When will I receive my rebate?

Pending approval, we will process and mail the rebate within 4-6 weeks of receipt of the completed and signed application.

Terms and Conditions

Customer Eligibility: Equipment purchases and installations made between 1/1/10-12/31/10 are eligible for rebate. Equipment must be installed by a licensed contractor at the customer's address listed on the Rebate Application. Rebate must be filled out completely, signed and accompanied by dated receipts/invoices and received at GasNetworks by 1/31/11.

Installation Verification: Prior to honoring any rebate, GasNetworks reserves the right to conduct an on-site verification that the equipment was installed according to the guidelines of the program and is operating properly. It does not include any kind of safety review and should not be relied upon as one.

Warranties: GasNetworks and the vendor do not endorse, guarantee or warrant any particular contractor, manufacturer or product installation.

Changes to High Efficiency Infrared Heater Rebate Program: Program is subject to change without prior notice and rebate offers may increase or decrease at any time.

Tax Liability: Participants of the program may be subject to tax liability for the value of goods and services received through the program pursuant to state or federal income tax codes.

No Tax Liability to GasNetworks and Vendor: GasNetworks and the Vendor are not responsible for any tax liability, which may be imposed as a result of receipt of the rebates by the natural gas utility to the customer.

Contractor Insurance: GasNetworks, its members, and the vendor are not responsible for any damage that may be caused as a result of the installation of the equipment.
